KinderGuitar's Little Froggie Songbook

KinderGuitar's Little Froggie Songbook is an age-appropriate and pedagogically sound method for young children to start active play on the guitar. Our beautifully illustrated songbook provides the following:

- A wealth of multicultural music for singing and playing to and with your little ones
- The tools for developing a sophisticated sense of pulse and rhythm
- Froggie's Footprints: note-specific hints and suggestions for each song
- KinderGuitar's proprietary code: an easy way for parents unfamiliar with standard notation (also included) to help their children
- Advice specifically for parents about using Little Froggie, selecting an appropriate guitar, tuning, daily guitar activities, and more

PLAY ALONG!

KinderGuitar's Little Froggie Educator Supplement

Our Educator's Guide provides a second part to each of the songs in Little Froggie Songbook for playing along in classes and at home. The accompaniment matches the accompaniment from the downloadable Froggie Play-Along.
